PART 12

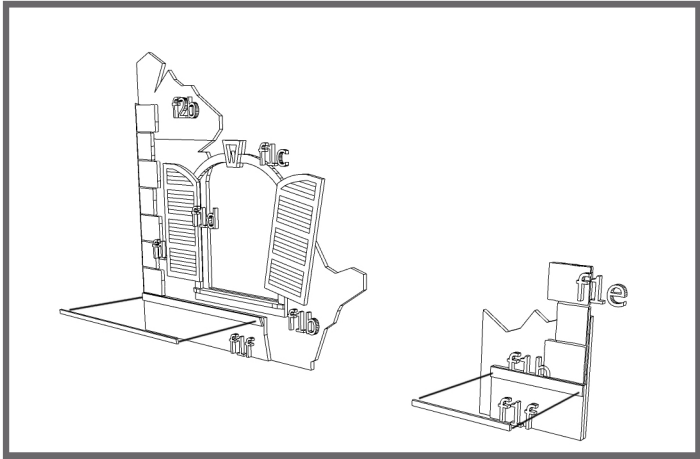

This diagram shows the front panel assembly in an exploded view. It includes three main components: a large central frame labeled 'V16', a top piece labeled '2b' that fits into the upper part of the frame, and a bottom piece labeled 'f1b' that fits into the lower part of the frame. The components are shown with their respective mounting points and alignment features.

An exploded view diagram of a mechanical assembly. It consists of three main components: a top piece labeled 'f1a' with a complex, irregular shape; a middle piece labeled 'f1c' which features a large semi-circular cutout and a rectangular slot; and a bottom piece labeled 'f1b' which is a simple rectangular plate. The components are shown in their relative positions as they would be assembled.

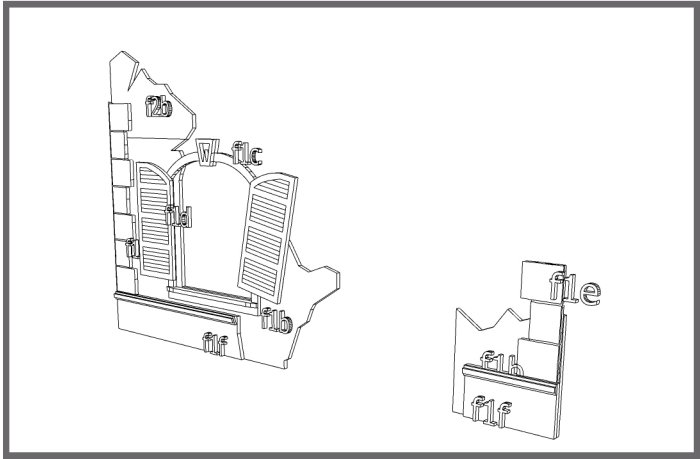

This diagram shows the front panel assembly in an exploded view. It includes the front panel (f1b) and the front panel frame (f1c). The front panel frame (f1c) is a rectangular frame with a central opening, and the front panel (f1b) is a rectangular plate that fits into the frame.

A 3D perspective diagram of a window assembly. The diagram shows a window frame with a central pane labeled 'w'. To the left of the central pane is a side panel labeled 'f1d'. To the right of the central pane is another side panel labeled 'f1b'. Above the central pane is a top panel labeled 'f1c'. Above the side panel 'f1d' is a top panel labeled 'f2b'. The entire assembly is shown in a perspective view, with the side panels 'f1d' and 'f1b' appearing to be hinged or sliding.
